ORDER:

In the reference 3<sup>rd</sup> read above, the Engineer-in-Chief (Public Health), Hyderabad has informed that, the Engineer-in-Chief (Admin), I&CAD Department & Chairman, BOCE vide letter dated: 21.06.2022 has communicated a copy of 2<sup>nd</sup> BOCE (Board of Chief Engineers Meeting) Minutes held on 25.05.2022 for finalization of common SoR 2022-23 of all Engineering departments and requested all the Heads of the Engineering Departments to take further necessary action regarding obtaining approval of the Government for including new items in their respective chapters in common SoR 2022-23.

2. The Engineer-in-Chief (Public Health), Hyderabad has further informed that, the Sub-Committee for preparation of draft P.H. items (Part-IV) of SOR 2022-23 was held on 28-04-2022 in the O/o. Engineer-in-Chief (Public Health). The present trend of tenders and the prevailing market rates (Quotations) were reviewed in the Sub-Committee meeting and based on these, the draft rates of PH items (Part-IV) of Common SoR 2022-23 are prepared and recommended for placing before the BOCE. The same was furnished vide letter dated: 18.05.2022 to the Engineer-in-Chief (Admin), I&CAD Department & Chairman, BOCE for taking necessary action for incorporation in Common SoR 2022-23.

PTO

3. The Engineer-in-Chief (Public Health), Hyderabad has further informed that in the Sub-Committee meeting for preparation of draft P.H. items (Part-IV) of SOR 2022-23 held on 28-04-2022, it was proposed to incorporate two new items i.e., 1) Double chambered restrained joints for DI Pipes and specials and 2) Ultrasonic AMR meter using LoRaWAN Technology. Accordingly, it is to submit that the Engineer-in-Chief (Admin), I&CAD Department & Chairman, BOCE vide Proceedings dated: 22.06.2022 has communicated a copy of Common SoR 2022-23 to the Heads of all Engineering Departments duly informing that revised rates will come into force from 1st June of 2022 in which above new items were also included in S.No.37 to 39 of PH items (Part-IV) of Common SoR 2022-23.

4. The Engineer-in-Chief (Public Health), Hyderabad has informed that, the BOCE in its meeting held on 25-05-2022 for preparation of Common SoR 2022-23 have discussed the new proposals of items and corresponding Data's submitted by various departments in detail in which above two new items i.e., 1) Double chambered restrained joints for DI Pipes and specials and 2) Ultrasonic AMR meter using LoRaWAN Technology (initiated by P.H.E.D) were also discussed in detail and it was agreed to include the same in SoR 2022-23 in respective chapters.

5. The Engineer-in-Chief (Public Health), Hyderabad has informed that, vide letter dated: 16-06-2022 i.e., addressed to the Engineer-in-Chief (Admin), I&CAD Department & Chairman, BOCE duly enclosing the rates of PH items (Part-IV) of Common SOR 2022-23 approved in the BOCES meeting held on 25-05-2022 at Conference hall of BOCE, I&CAD Department Hyderabad forwarded for incorporation in the Common SoR 2022-23.

6. The Engineer-in-Chief (Admin), I&CAD Department & Chairman, BOCE vide Proceedings dated: 22.06.2022 has communicated a copy of Common SoR 2022-23 to the Heads of all Engineering Departments duly informing that revised rates will come into force 01.06.2022 in which above new items were also included in S.No.37 to 39 of PH items (Part-IV) of Common SoR 2022-23. The Engineer-in-Chief (Admin), I&CAD Department & Chairman, BOCE vide letter dated: 21.06.2022 has also advised to also obtain approval of the Government for including new items in their respective chapters in common SoR 2022-23 approved by BOCE.

7. The Engineer-in-Chief (Public Health), T.S., Hyderabad in his letter dated 03.02.2023 has also clarified that, after detailed discussions and deliberations have decided to include the Double Chambered restrained joints for DI pipes and fittings (RJT DI pipes and Fittings) in Common SOR 2022-23 due to ease of laying, completion of work within time frame, due to space restrictions in Urban areas and economic factor and Ultrasonic AMR meter using LoRaWAN Technology in Common SOR 2022-23 due to ease of installation, operation, collecting data, accuracy in measurement and economic factor when compared to other technologies. Accordingly, the above items were included in PH items (Part-IV) (S.No.37 to 39) of Common SoR 2022-23 based on the approval accorded by the BOCES in its meeting held on 25-05-2022.

::3::

8. The Engineer-in-Chief (Public Health), Hyderabad has requested the Government to issue orders and ratify the action taken in having included new items 1) Double chambered restrained joints for DI Pipes and specials and 2) Ultrasonic AMR meter using LoRaWAN Technology in PH items (Part-IV) (S.No.37 to 39) of Common SoR 2022-23 which were approved by the BOCE's in its meeting held on 25-05-2022.

9. After careful examination of the matter, Government hereby ratify the action taken by the Engineer-in-Chief (Public Health), T.S., Hyderabad having included new items, 1). Double chambered restrained joints for DI Pipes and specials and 2). Ultrasonic AMR meter using LoRaWAN Technology in PH items (Part-IV) (S.No.37 to 39) of Common SoR 2022-23, which were already approved by the Board of Chief Engineers (BOCE's) in its Meeting, held on 25-05-2022.

10. The Engineer-in-Chief, Public Health, T.S., Hyderabad shall take further necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
